NOTE TO ALL APPLICANTS

Employees are all hired for an agreed upon period of time. Since the Delawana is open seasonally all positions are seasonal. Only applicants who are available until October will be considered for the spring time period. University and college students whose schooling starts again for the year in September, can be expected to be employed from mid-June to Labour Day. Only a few positions will start in May and end in September. Therefore, when filling in your dates below, make certain that you are in a position to work the full period stated. Absolutely no exceptions will be made to allow you to leave early. Employees hired to work until Labour day will be expected to also work the Victoria Day and Thanksgiving weekends.
